# ELEVATOR & LIFT SYSTEM SECURITY SOLUTIONS

**Controlling Access. Protecting Infrastructure. Enabling Compliance.**

Elevator and vertical-transportation systems are critical infrastructure inside commercial buildings, healthcare facilities, high-rises, parking structures, hotels, and multi-tenant properties. RA-Lock Group delivers high-security mechanical and electronic access control solutions engineered to protect elevator control rooms, machine rooms, hoist ways, panels, fire recall systems, pit access points, and service areas while enforcing technician accountability and code-compliant access control.

## INDUSTRIES

- Commercial Office Buildings
- Hospitals & Medical Campuses
- Hotels & Hospitality
- Parking Structures
- Multi-Family & High-Rise Residential
- Transit Stations & Airports

THE  
**RA-LOCK**  
GROUP
