

HOSPITALITY SECURITY & ACCESS CONTROL

Protecting Guests. Securing Assets. Delivering Seamless Operations.

Hotels, resorts, casinos, and hospitality venues operate around the clock, balancing guest convenience with strict security, life-safety, and operational control. From guest rooms and back-of-house spaces to elevators, cash handling, and service areas, access must be secure, accountable, and scalable across properties. The RA-Lock Group delivers high-security mechanical and electronic access control solutions engineered to protect hospitality environments while supporting guest experience, staff workflows, and multi-property management.
