

# RETAIL SECURITY & ACCESS CONTROL SOLUTIONS

**Protecting Inventory. Securing Revenue. Controlling Access.**

Retail environments operate at high velocity—managing inventory, cash handling, staff turnover, vendor access, and customer traffic across single stores or national footprints. From storefront doors and stockrooms to cash offices, refrigerated merchandisers, and distribution areas, secure and accountable access is critical to loss prevention and operational efficiency. The RA-LOCK Group delivers high-security mechanical and electronic access control solutions engineered to protect retail assets, reduce shrink, and standardize security across multi-location operations.
